United States Senate

Barbara A. Mikulski

Dear Academy Applicant:

Thank you for contacting me regarding a nomination to one of the United States Service Academies. It is my pleasure to provide you with all the information required to apply for my nomination.

Making nominations to the Service Academies is one of my most important responsibilities as a United States Senator. I trust you are applying for one of these nominations because it is your wish and desire to be a career officer in the United States Armed Forces or as an individual dedicated to serving the interests of our nation as a Merchant Mariner. I am very proud of my nominees and their commitment to serving our country.

1. Minimum Requirements

All applicants must meet the following basic criteria in order to be considered for my nomination:

- You must be a citizen of the United States and domiciled in Maryland. Domicile is defined as a person's fixed, permanent and principal home. You are domiciled in Maryland if your parent, legal guardian, or you vote and file state income tax returns in Maryland.

- Applicants to the academies must never have been married nor have any dependents.

- You must be at least 17 years of age, but not older than 23 years of age by July 1, 2016 to apply to the Air Force, Military or Naval Academies.

- For the Merchant Marine Academy, you must be at least 17 years of age, and not have passed your 25th birthday on July 1, 2016.

2. How are Nominees Selected?

- **Service Academies make the final decision on who is appointed.**

- All applicants who fully complete my application will be notified in early November as to whether or not they will receive an interview with my review board.

- No applicant will receive an interview with my board unless a file is open at the Service Academies stated in this application.

- I will notify you of your nomination status by the end of the year.

- In addition to seeking my nomination, you must contact the Admissions Office at each Academy directly to initiate a pre-candidate file.

3. Facts and Figures:

Last year, over 350 students filed an application with my office, and 310 students were interviewed. For each vacancy I have at each Academy, I may nominate ten candidates.

- Over 68% of students listed the US Naval Academy as their first choice.
- 14% listed the US Air Force Academy as their first choice.
- 13% listed the US Military Academy as their first choice.
- 5% listed the US Merchant Marine Academy as their first choice.

As you can see from the above statistics, it is to your distinct advantage to apply to more than one Academy.

4. Completing the application

You must have a completed application postmarked by October 23, 2015, or if faxed, received in my Baltimore Office by October 23, 2015 at 5 PM in order to be considered for a nomination.

Electronic copies of my application are posted on my website at: http://mikulski.senate.gov

I **strongly** recommend that you register with my online application manager in order to view and receive updates on the status of your application. If you have any questions about the nomination process, please contact my nominations coordinator, Melissa Baranowski, in my Baltimore Office at 410.962.4510 or academy@mikulski.senate.gov

1) Complete this application, which is the first item on the online checklist.

2) You will also need to submit your signed letters of recommendation,
   - One from a math teacher
   - One from a science teacher
   - One from an adult non-family member

3) In addition to the letters of recommendation, you must also submit the following signed documents:
