

**AmeriCorps State & National Grants
FY2010**

AmeriCorps grants support community organizations that sponsor national service programs to address unmet needs in such areas as education, economic opportunity, health, clean energy/environment, and veterans. Grants cover some of the cost of operating the program, in addition to a small stipend for the AmeriCorps member, which is matched by the recipient organization. Programs which operate in one state only are funded through and supported by their Governor appointed state service commission. Multi-state programs and Indian Tribes programs are funded directly by the Corporation for National and Community Service.

This is a multi-state program.

Approved Funding Level:

Grant Funding: \$443,340

AmeriCorps member positions: 42

Program Summary

AmeriCorps members conduct lead abatement activities and work intensively with low-income families whose children are at risk of lead poisoning. They provide family-centered education, training, and lead hazard control services. Members also provide follow-up support to help families meet the ongoing challenge of keeping their children safe from lead exposure, and mobilize community volunteers to assist with service activities. CLEARCorps helps to strengthen the communities' ability to protect its children by developing inter-agency partnerships, and by promoting awareness and action through educational presentations.
