

Content for SENATOR MIKULSKI

Now Available on

Pathfire's *Digital Media Gateway*

To streamline our services and provide content that is accessible 24/7/365, the **U.S. Senate** is now delivering individual senator content via Pathfire's Digital Media Gateway ("DMG").

To locate/view content for **SENATOR MIKULSKI**, do the following:

1. In the main DMG window, move to the navigation bar located on the left side of the screen. If you cannot see the navigation bar, move to the toolbar, and click the **Toggle Tree** button. 
2. With the navigation pane displayed, click the **Video News Feed (Master VNF Locator)** text.
3. From the expanded list, double-click on **VNF Provider B**. The right pane refreshes.
4. Click the **U.S. Senate** tab.
5. In the listing provided (sorted by state), locate **SENATOR MIKULSKI**, and then click on the senator's name. Any items available for this senator are displayed in the pane on the right.

The screenshot shows the Pathfire Digital Media Gateway interface. On the left is a navigation pane with a tree view containing 'News', 'Network Feed', and 'Video News Feeds (Master VNF Locator)'. Under 'Video News Feeds', there are several providers listed, including 'VNF Provider B'. The main window displays a list of 'Latest Videos' for 'U.S. Senate', with entries for various states (AR, CA, CO, CT, DE, FL, HI, IA, IL) and a selected entry for '(DC1) DC, Senate De...'. A 'Story...' tab is active, showing a video player with a 'United States Senate' title and a video of the Capitol building. The video player includes a progress bar, volume control, and a 'Print Script' button. Below the video player, there is a text area for script information.

6. To preview an item, click on the **Story Number**. A new window opens and the video for the story begins playing.
